# Is Individual Therapy Right for You?

*You don't have to be in crisis. If you're carrying something heavy and you're tired of carrying it alone — that's enough reason to start.*

# You might be ready if...

*You feel stuck in patterns you keep repeating. You carry anxiety, grief, or old wounds that shape how you show up today. You want more peace, more clarity, more honest connection.*

# Here's what individual therapy offers.

*A consistent, confidential relationship where you are the entire focus. No agenda except your growth. Evidence-based tools tailored to your specific nervous system, story, and spiritual values.*

# *Faith-based means you bring all of you.*

*Your beliefs aren't a footnote in our work — they're foundational. Scripture, prayer, and spiritual community are part of how we understand your life and your healing.*
